Monday 23<sup>rd</sup> April 2018

Dear Parents,

Welcome back, we hope you had a wonderful Easter break.

Our topic this term will be 'Growing'. We will continue to look at our bodies and how we grow, whilst also finding out about how animals and plants change over time. We will spend a lot of time out in our vegetable garden, planting and growing lots of tasty vegetables and fruits as part of our topic on healthy eating. We will also be hatching our own chicks using an incubator, and watching how they grow.

As we will be spending so much time outside, the children will continue to need their wellies in school. Please send these in (named) by Wednesday 25<sup>th</sup> April.

Our PE lessons will continue to take place on a Tuesday morning. Please ensure any jewellery or earrings are removed on these days. We will be using the field for our PE activities. If you would prefer, you may send a pair of trainers in for your child to wear.

'Show and Tell' will continue to take place on Fridays; the group sessions are as follows:

Friday 27<sup>th</sup> April - Butterflies  
Friday 4<sup>th</sup> May - Ladybirds  
Friday 11<sup>th</sup> May - Caterpillars  
Friday 18<sup>th</sup> May - Bumblebees  
Friday 25<sup>th</sup> May - Butterflies  
Friday 8<sup>th</sup> June - Ladybirds  
Friday 15<sup>th</sup> June - Caterpillars  
Friday 22<sup>nd</sup> June - Bumblebees  
Friday 30<sup>th</sup> June - Butterflies  
Friday 6<sup>th</sup> July - Ladybirds  
Friday 13<sup>th</sup> July - Caterpillars  
Friday 20<sup>th</sup> July - Bumblebees

These are new groups, the children will be able to tell you their new group name, I will also pop a label in your child's message book.

We will continue to send your child's water bottle home for the weekends. Please ensure these are back in school for Monday morning.

Similarly, please could library books be returned promptly each week so that the children may choose new ones during our library visits.

Hopefully this information will be useful.

Best Wishes  
Mrs K. Vernon
