When do you need to apply for your child's school place?

If your child turns 4 before 31 August 2019 it is time to apply for a Reception place and, if your child is in year 2 at Infant School, it is time to apply for a Junior School place.

Make your application and find helpful tips and information (including links to school OFSTED reports) online at:

www.northamptonshire.gov.uk -

where you will also find the guidance booklet, 'Applying for a Primary School Place in Northamptonshire for September 2019'. Please read this before making an application and ensure that you check the school's oversubscription criteria carefully. School places are not allocated automatically; you **must** send in an application form for your child's school place even if:

- You have an older child already at your preferred school
- You have put your child's name down or registered your child at your preferred school
- You live in a linked area
- Your child attends a nursery unit at a primary school site

When can you apply?

Online applications for primary school places are open on **Monday 10th September**. The closing date is **Tuesday 15th January** 2019 at 5pm.
It is your responsibility to make sure your application is with us (NCC) by the closing date.

How do you apply?
The most convenient & secure way to apply is online at: www.northamptonshire.gov.uk/admissions

Need help?
For further advice about how to proceed, or if you require practical help with completing your child's school application form, you can visit a School Admissions 'Drop In' session where parents/carers can speak to a member of staff from School Admissions and get practical help with applications. Details of these sessions are on the front of this leaflet.
