Hackleton CEVA Primary School Physical Education Development Plan

Introduction

Hackleton Primary believes physical education is an essential part of every child's development. We endeavour to provide high quality physical education for every child, equipping them to lead healthy, active lifestyles. Our aim is to provide activities for all children centring on movement and social interaction. This will allow our students to recognise the diversity of individual ability and participate with respectful conduct. It will also provide the children with the necessary skills of good sportsmanship, to strive for excellence and not be discouraged if they do not win; equipping them with the appropriate responses in order to deal with winning or losing, thus facilitating valuable lessons for their future.

We are developing a balanced programme that offers a variety of activities to provide children with the opportunity to develop a broad spectrum of skills and the knowledge necessary to use those skills throughout their lives whilst enabling them to develop acceptable fitness levels. Positive participation in physical education will leave children with a legacy of success facilitating an active lifestyle.

Vision

Our vision is to raise the aspirations of every child encouraging them to acquire motor skills to perform a variety of physical activities in order to pursue a healthy and active lifestyle.

Aims

We aim to ensure that the provision is challenging and appropriate whilst being inclusive, engaging, innovative, inspiring and raising aspirations. It will provide high quality sustainable Physical Education and sport within the curriculum and outside school hours. Our action plan encompasses all the key concepts to develop children's competence, performance, creativity and healthy lifestyles. We aim to give a broad base of learning as is possible so that all pupils can develop interest and understanding in many different areas. It will also provide high quality continuous professional development (CPD) for all teachers and other adults involved in the delivery of PE and school sport. It will aim to build sustainable professional learning networks including effective school to school support and cluster schools working together. It will provide the children with the skills, confidence and relevant experiences to succeed at their chosen level and inspire them to rise to the challenge of competition and participate competitively.

Mission

Our mission is to inspire every child at Hackleton CEVA Primary School to live a healthy and physically active lifestyle.

Key achievements to date:	Areas for further improvement and baseline evidence of need:	
<ul style="list-style-type: none"> • Competed in Level 1 and Level 2 competitions (and qualified for level 3) from Year R to Year 6 • Held a Wimbledon Day for all age groups and invited parents to attend. • Held a World Cup Sports Day as our School Games Day • Taken part in Junior Strictly Competitions for Years 1-6 held at the Dergate.
