Dear Parents,

As we come to the end of another school year we have to say our goodbyes, our thanks and send our best wishes to members of staff and Class 6 as they move on to pastures new.

As always, I have to say thank you to everyone for helping make our school such an amazing place. First of all, to each and every child, you have all achieved so much in all the different things you do and you should all be very proud of yourselves. You are all amazing and everyone is so proud of you! Our school is very lucky to have such a great team of hard-working, dedicated people who are always striving to do the very best for the children from teachers, teaching assistants, office staff, lunchtime supervisors and governors. Thank you for everything! Finally, but by no means least, thank you to all our parents and families for your support throughout this school year.

Thank you to the HSA for all their hard work this year and fundraising an amazing £12,000! We will now be able to go ahead with planning the Peace Garden. Also thank you to everyone for supporting the many events that are arranged to provide the extras that a school budget just can't cover.

Class 6, thank you for being part of our school family and we wish you all the very best for the future. We know you will continue to flourish and grow into amazing people as you move on to your secondary schools.

We say goodbye to two members of staff. First of all, we say goodbye to Mrs Aldcroft, who has worked at the school for 12 years and thank her for everything she has done during her time with us. We are all going to miss her so much and send her with our best wishes as she moves to Norfolk with her family. Thank you to Miss Hendry, who has only been with us for a short time but has really made an impact on children's learning while she has been here.
