

Hackleton CEVA Primary School
'Inspiring learning for life'

1st June 2020

Our Christian value for this term – Trust:
Trust in God and each other

Dear Parents,

Welcome back to the start of the summer term to those coming back to school and those at home. We welcome Mrs Mills back to school from maternity leave. She will be working 3 days per week and is presently helping to support Class 5 Seesaw.

Opening the school today for children in Reception, Class 1 and Class 6 as well as the key worker group started very smoothly. They have all definitely grown quite a bit since we last saw them! Everyone is settling into the new routines and adapting very well. We are using all the classrooms and the groups have their own toilets, entrances and areas of the playground and field. Please remember that children are not to bring in fabric lunchboxes or their book bags.

From tomorrow morning, we can slightly adapt the drop off times and all the children will make their own way into school once they have been dropped off at the main entrance:

Reception and Key workers	8.45 – 8.55am
Year 6	8.55 – 9.05am
Year 1	9.05 – 9.15am

Ms Nicklin will be in school on Monday, Wednesday and Thursday. If you are worried about any aspect of your child's or your own wellbeing and would like someone to talk to for some support please don't hesitate to send an email directly using jo.nicklin@hackleton.school and she will get back to you.

Safeguarding and Online-Safety

If you have any concerns regarding safeguarding or child protection (including online-safety) please contact the designated safeguarding leads within school. They are Andrea Revens, Sally Bird and Jo Nicklin.

For more advice about safeguarding and online-safety, please see the following sites:

<http://www.northamptonshirescb.org.uk/>
