Dear Parents,

As we are coming to the end of a very different school year we have to say our goodbyes, our thanks and send our best wishes to Mrs Acharya and Class 6 as they move on to pastures new.

Class 6, thank you for being part of our school family and we wish you all the very best for the future. We know you will continue to flourish and grow into amazing people as you move on to your secondary schools.

We say goodbye to Mrs Acharya who has decided to leave us after many years supporting children with their learning. We are all going to miss her and send her our very best wishes as she moves on to new and different things.

I have to say an enormous thank you to our staff team who have been working tirelessly throughout the school closure. Teachers quickly sorted out Seesaw and adapted to a whole new way of providing learning opportunities for our children as well as coming into school to cover groups. Teaching assistants and office staff adapted to working in different ways and without them, we would not have been able to open the school and operate as we have. Coach Matt has been in school every day since we closed back in March and this has helped to ensure we have had adequate staff cover. As a headteacher, I am so lucky to have a staff team that always goes that extra mile - thank you for everything!

The past months have been very difficult for everyone but hopefully we can now start to get back to some sense of normality, whatever that is going to look like. Thank you for supporting your children through the last few months with home learning. It may not have been easy at times but I am sure those increased opportunities to spend time together will have been very precious.

We are now looking forward to all the children coming back to school in September and we are busy getting everything prepared. We will be sending out links to short presentations this week to share with your child from their new teacher as a way to welcome them to their new class.

Have a lovely summer and we will see everyone on Thursday, 3<sup>rd</sup> September.

Best wishes

Andrea Revens
