

**Hackleton CEVA Primary School**  
***'Inspiring learning for life'***

16<sup>th</sup> October 2020

Our Christian value for this term - Respect  
Respect yourself and others

Dear Parents,

We are very lucky to be having a promotional film of the school being done on Monday by Amelie and Jack's parents. Obviously we will be taking the appropriate safety measures with regards to current situation. The children are all very excited - not sure about the staff!

If you have a child who is due to start school in September 2021 you should have now received information from Northamptonshire local authority about choosing a school place. We would usually hold our open morning but obviously due to the current situation, this isn't possible. If you know of anyone who has a child due to start next September, please refer them to our school website which has details of how a school visit can be arranged. For parents who already have children at the school, we hope you'll understand our decision in asking you not to visit the school in order to limit the number of people coming into the building as much as we can.

Attendance for last week was 98% overall with 7 recorded lates. Individual class information is detailed below:

<b>Class</b>	<b>Attendance %</b>	<b>Lates</b>
R	97.9	0
1	97.9	1
2	97.8	1
3	96.6	1
4	100	0
5	96.7	0
6	99.4	4

**Learning Behaviours - Be independent**

Lily-Mae Hilling	Working hard in maths and only asking for help when she really needs it.
Owen Billing	Really pushing himself in maths this week!
Scarlett Digby-Smith	Coping so well with a broken foot!
Jacob Prigmore	Moving himself on to more tricky questions in maths.
Ellie Ashby	Showing your independence all day long and organising yourself ready for learning.

Kimberley Adeyemi	Showing your independence all day long and organising yourself ready for learning.
Lilah Turquand	Excellent independence in all aspects of school life.
James Howard	For unique and interesting arguments in his fox hunting letter.
Olivia Long	Working independently in maths this week.
Elsie-May Morris	Writing and proof-reading her report independently.
Toluwanimi Gisanrin	Resolving a series of problems in computing.
Harry Melling	Resolving a series of problems in computing.
