

**Hackleton CEVA Primary School**  
***'Inspiring learning for life'***

20<sup>th</sup> November 2020

Our Christian value for this term - Faith  
Faith and hope in God, yourself and each other

Dear Parents,

We have now counted up the donations for Children in Need which this year amounted to £248.94. Thank you for your support as always. The Hope Centre have asked for our help as they are finding more and more families are going to them as they are really struggling in these difficult times that we are all working through. We have decided to organise another food collection week beginning 30<sup>th</sup> November if you would like to help and we also wondered if it would be possible to include a few Christmassy treats for the children and families.

The films are now available on the school website for you to see. We have to say a very special thank you to Mr and Mrs Baldwin for giving their time and doing this for us. We also have to say a special thank you to Mr Gibson too for the amazing aerial shots of the school. These will be very useful for prospective parents thinking about which school is right for their child especially as we are unable to conduct actual tours and let them see what happens during a school day.

The knowledge organisers for this term have been posted on class Microsoft team pages by each class teacher. These will include science and either history or geography for classes 1 to 6. Children will just need to login to their class page to find them.

Attendance for the first week of term was 99% overall with 11 recorded lates. Individual class information is detailed below:

<b>Class</b>	<b>Attendance %</b>	<b>Lates</b>
R	99	1
1	100	4
2	100	2
3	100	0
4	98.7	1
5	99.3	1
6	97	2

### Learning Behaviours

Florence Johnson	Independently getting changed for P.E.
Ben Noble	Independently getting changed for P.E.
Hugo Baaye	Writing interesting sentences about the history of the school independently.
Brigita Dicetryte	Creating a fantastic poem about the seasons independently.
Rex Tiefenthaler	Writing a super description using expanded noun phrases.
Hermione Spendlove	Challenging herself to answer questions in maths even though she felt unsure and getting them correct.
Conor Taylor	Challenging himself to learn 2 lots of times tables.
Sam Perkins	Challenging himself to write a short story using all the features of good writing we had talked about in class.
Raihan Uddin	Challenging himself to write a descriptive account of visiting a circus.
Benjamin Vickers	Being an excellent role model for others.
Daisy Bennett-Sulsh	Challenged herself in science planning an experiment to test friction.
Elijah Pinder	Concentrating well in DT and producing very neat backstitch.
Eloise Lockyer	Persevering with her work on fractions to become more accurate and have a better understanding.
Shona Stephens	Using some fantastic vocabulary and organising her ideas well in her letter.
