

Hackleton CEVA Primary School
'Inspiring learning for life'

10th February 2021

Our Christian value for this term - Love

Love God, and love others as you love yourself

Dear Parents,

We only have a few more days of this term remaining and I am sure you will all be ready to have a week's holiday from remote learning. Thank you for helping your children to continue with their learning in these difficult circumstances as well as trying to juggle jobs and family life. I also want to take this opportunity to say thank you to our teachers and support staff who have been fantastic throughout these past few weeks in keeping school and learning going. I know they are definitely ready for a break!

School closes on Friday 12th February and reopens on Monday 22nd February for children of critical workers. Remote learning will begin again on Monday 22nd February.

Children who have been in school this week

If your child develops symptoms for coronavirus within 48 hours of being in school, especially over this coming weekend, we will need to be informed as they may have been infectious whilst in school. As part of the NHS Test and Trace, the school will be involved in identifying close contacts in school and then those who may need to self-isolate.

Please notify the school in the holidays about a positive case to head@hackleton.northants-ecl.gov.uk as these will be checked each day. Obviously this information is only required for children who are coming into school during the lockdown.

Safeguarding and Online-Safety

If you have any concerns regarding safeguarding or child protection (including online-safety) please contact the designated safeguarding leads within school: Andrea Revens, Sally Gillam and Jo Nicklin.

For advice about safeguarding and online-safety, please visit the following sites:

<http://www.northamptonshirescb.org.uk/>

<https://ceop.police.uk/safety-centre/>

Hopefully, we will soon have some idea as to when schools will begin to reopen and we will be able to welcome everyone back. Keep safe and enjoy the week's holiday.

Kind regards

Andrea Revens
