

Hackleton CEVA Primary School
'Inspiring learning for life'

16th April 2021

Our Christian value for this term - Friendship
We are learning to be generous, caring and loyal friends.

Dear Parents,

Welcome back to the start of the summer term. I hope you all enjoyed the Easter break especially now we can meet up with family and friends outside. There was definitely a real mixture of weather!

It has been lovely to have all the children back in school and see the restart of clubs before and after school. I always enjoy going round to all the classes on a Friday morning for celebration assembly to award badges, certificates and celebrate their achievements. They are always so excited to find out which house has won the weekly cup!
