Our Christian value for this term - Friendship

We are learning to be generous, caring and loyal friends.

Dear Parents,

From Monday, we will no longer be asking you to wear masks when you are dropping off and picking up your children although it is important that everyone still remembers to socially distance. Staff will not be wearing masks in the playground but will still be wearing them in the school building.

During our most recent lockdown, the children took part in the Virtual School Games organised by Northamptonshire Sport. We are delighted to announce that we were the overall winners within our cluster! Thank you to everyone who logged their scores at home.

On Thursday some children from Year 5 represented our school in a Boccia tournament at EWS (Roade) against our cluster schools. They had a fantastic morning and took 5th place in the competition.

Attendance for last week was 98% overall with 10 recorded lates. Individual class information is detailed below:
