Our Christian value for this term - Friendship

We are learning to be generous, caring and loyal friends.

Dear Parents,

As we come to the end of the first part of the summer term, we are forwarding the knowledge organisers for the areas covered in history or geography and science for Class 1 to 6. It would be really helpful if these were used so that children have opportunities for retrieval practice. This can be done by asking simple questions so they are able to recall a fact or asking what they know about something and seeing what they can tell you.

On Thursday some children from Years 3 and 4 represented our school in a Quicksticks Hockey competition against the other schools in our cluster! They scored some incredible goals and were placed 4th and 5th overall. Well done everyone!

Attendance for last week was 97% overall with 10 recorded lates. Individual class information is detailed below:

<b>Class</b>	<b>Attendance %</b>	<b>Lates</b>
R	99.7	3
1	97.7	1
2	96.9	0
3	99	1
4	96	0
5	95.5	3
6	91.8	2

As a school, we will again be taking part in the NHS Track and Trace at the start of the holidays as follows:

- If a pupil or member of staff tests positive for coronavirus (COVID-19), having developed symptoms **within 48 hours of being in school (Saturday 29<sup>th</sup>, Sunday 30<sup>th</sup>)**, please let us know by email to [head@hackleton.northants-ecl.go.uk](mailto:head@hackleton.northants-ecl.go.uk) We will then be involved in identifying close contacts and advising self-isolation, as the individual may have been infectious whilst in school.
- If a pupil or member of staff tests positive for coronavirus (COVID-19), having developed symptoms **more than 48 hours since being in school (Monday 31<sup>st</sup> onwards)**, the school should not be contacted. Parents, carers and staff should follow contact tracing instructions provided by NHS Test and Trace.
