Our Christian value for this term - Trust  
Trust in God and each other

Dear Parents,

With the announcement on Monday that Covid restrictions are now likely to remain in force until 19<sup>th</sup> July, we will be keeping everything the same in school until the end of this academic year. With regards to what will be happening in September, we will have to wait for guidance from the DfE which may well not be released before the summer holidays.

On Thursday some of the children from Year 5 and 6 took part in a Kwik-Cricket competition against the schools in our cluster. The children won all of the games in their pool which put them in the playoff final for 1st or 2nd place. They came second overall and displayed some brilliant cricket skills throughout the competition. Well done everyone!

We officially opened the Peace Garden on Monday with the School Council being the first children to go in and have a look around. Mrs Newman, representing the HSA, cut the ribbon and Mr Hilling was also invited as he had selected and planted the area. As you can see from the photographs, the plants are blooming and it is a lovely area to be in. The children have now begun to use it at lunchtime although at the moment that has to be done on a rota basis with class bubbles.

Attendance for last week was 98% overall with 19 recorded lates. The information for individual classes is detailed below:

Class	Attendance %	Lates
R	95.3	6

2	99.3	1
