

Hackleton CEVA Primary School
'Inspiring learning for life'

5th November 2021

Our Christian value for this term - Faith
Faith and hope in God, yourself and each other

Dear Parents,

It was great to welcome everyone back to school for the start of term 2. I hope you all enjoyed the week's holiday.

There are some events being held during the next few weeks as detailed below:

Friday 19th November - Children in Need: Mufti Day for a donation to this worthy fundraising event. School Council will also be holding a Bake Sale for morning break and cakes will cost 50p.

Monday 15th November - Pupils can wear odd socks with their school uniform to mark the start of Anti-Bullying Week in school.

Friday 10th December - Christmas Jumper Day in support of Save the Children.

With the Queen's Platinum Jubilee next year, schools have been given an extra day's holiday to take when they wish. It has been decided that school will close a day earlier this term on **Thursday 16th December 2021** and extend the Christmas holidays.

Covid-19 created a lot of disruption last term and with this in mind, we have decided that we will not be organising play performances leading up to Christmas. During the spring and summer terms, there will be individual class productions for parents to attend and we will let you have the dates in the New Year.

Learning Behaviours

Franky	Concentrating really well in maths and writing addition equations independently.
Amelie	Working hard during home learning and trying so hard to read very tricky place names using phonics.
Charlie	Concentrating in every lesson this week and putting his hand up to answer and ask questions about our topics.
Enid	Concentrating in maths and putting her hand up to answer tricky questions.
Annie	Working so well with partner to solve problems in maths.
Ava	Working so well with partner to solve problems in maths.
Matthew	Challenging himself in maths this week and completing lots of tasks.
Hermione	Keen to improve in maths and not giving up when things were tricky.

Oliver	Demonstrating excellent concentration and producing super work working with a partner.
Nora	Demonstrating excellent concentration and producing super work working with a partner.
Mason	Concentrating well in class and contributing to lots of class discussions.
Leighton	Persevering in maths to find all the factors of a number.
Olivia	Showed super concentration when simplifying fractions in maths.
Izzy	Always shows great concentration but particularly in our lesson on simplifying fractions.
