Our Christian value for this term - Faith  
Faith and hope in God, yourself and each other

Dear Parents,

This week is Anti-bullying Week. We started the week celebrating our differences by taking part in Odd Socks Day and it was fantastic to see so many odd socks in school. All the children have taken part in activities in the classroom based on this year's theme of 'One Kind Word' and it has been lovely to see their positive response to this.

On Monday, our Key Stage 2 cross country teams took part in the EWS Cluster Schools competition and managed a very impressive 2<sup>nd</sup> place overall. A special well done to the Year 5 and 6 girls team for coming 1<sup>st</sup> in their race and to Eli for achieving 1<sup>st</sup> place in the Year 3 and 4 race.

On Tuesday, we welcomed Jem Lowther, the musical director at All Saints Church, Northampton, into school to talk to Key Stage 2 children about their upcoming Be a Chorister Day on Sunday 21<sup>st</sup> November. If anyone is interested in taking part, more information can be found on their website [www.allsaintsnorthampton.co.uk](http://www.allsaintsnorthampton.co.uk).

Yesterday, our Year 5 and 6 football team played their final league match against Caroline Chisolm Primary School. Although they did not win, they played in good spirit and should be proud of their effort.

A huge thank you to everyone who donated to the Poppy Appeal. We managed to raise a fantastic £394.86!

We have been busy fundraising again today - this time for Children in Need. An enormous thank you must go to our school council, Mrs Parker and Mrs Gaskell who baked and decorated a huge

number of cakes! Thank you to everyone who has donated and we will let you know the total amount raised in due course.

For the last two weeks, Year 2 have been checking up on our energy use as part of Switch Off Fortnight and they are pleased to announce that everyone has reduced their use of electricity. Year 4 have also responded to the recent news from COP26 by creating a fantastic piece of artwork from all of the non-recyclable rubbish they collected from their lunchboxes. Well done to Ruby for creating the design.

We are delighted that Get Fit Today in Hackleton have chosen to support us with their fundraising. Please see the attached flyer for where to donate.

We are looking forward to meeting prospective parents at our Open Days next week. If anyone has a child due to start school in September 2022 then please do contact the school office to book a place.

We are very aware that, due to Covid, parents have missed out on many of the usual events that take place in school so we are hoping to hold a Work Celebration straight after school on Wednesday 8<sup>th</sup> December. This will be an opportunity for your child to show you their classroom and share their work with you. We will send out further details of the arrangements nearer the time.

Don't forget to follow our Twitter (@HackletonSch) and Facebook (Hackleton CEVA Primary School) pages to keep up to date with everything that is happening in school.
