Our Christian value for this term - Faith
Faith and hope in God, yourself and each other

Dear Parents

It was lovely to welcome so many parents to tour our school this week. Our Class 6 pupils proudly showed everyone around and we received lots of great comments. Thank you to everyone for all your hard work. Due to demand, we will be holding a further **Open Morning on Thursday 9th December at 10.30am**. If you would like to attend or know someone that would be interested, please contact the school office to book a place.

We raised a total of £423.56 for Children in Need last week and would like to thank everyone for your support.

Work Celebration on Wednesday 8th December 3.15 - 4.00pm

We would like to invite you to come into school so that your children can show you around their classroom and share what they have been doing. They will come out onto the playground at the end of the school day as normal and they will then be able to bring you in to their classrooms using their normal school entrance point. Brothers and sisters can also find out what their siblings have been doing as you move to their classes.

We want the children to have ownership of this event so although the teachers will be in the classrooms, it is very much about the children showcasing what they have been doing. It is important that everyone wears a mask while in school.

If you are unable to make this date, we will be holding another Work Celebration in January.
