

Hackleton CEVA Primary School
'Inspiring learning for life'

25th March 2022

Our Christian value for this term is Forgiveness:
Show forgiveness to everyone, including yourself

Dear Parents,

Class 2 delivered an important assembly to the whole school this week about Earth Hour which is taking place on Saturday 26th March and asked if we would take part by turning off our lights for an hour at 8.30pm as a message to world leaders about the need to make changes to save the planet. Class 2 asked if I could add this to the newsletter so that as many families as possible knew about this and hopefully joined in.

We wanted to share two important dates with you before the end of term. As part of the Queen's Platinum Jubilee celebrations, we will be holding a Jubilee Art Exhibition in school on Thursday 26th May to which you will all be invited. Also, the proposed date for Sport's Day is Tuesday 14th June. We will let you have more details for both events next term.

Congratulations to our Y3/4 Strictly team who competed against other local schools at the Deco Theatre last Saturday. They were amazing and achieved 1st place in the afternoon competition! They then took part in the 'dance off' with the morning winners and achieved 2nd place in the Y3/4 competition overall. Well done to all our dancers! We must also say a special thank you to Mrs Corbyn who works so hard with the children to enable them to dance and compete to such a high standard in a very short space of time.
