

Hackleton CEVA Primary School
'Inspiring learning for life'

27th May 2022

Our Christian value for this term is Friendship:
We are learning to be generous, caring and loyal friends

Dear Parents,

Thank you to everyone who visited the Art Exhibition yesterday and made it such a great success. It was a real celebration of art across the school with the different interpretations of a portrait of the Queen and using different mediums.

Today has been our Jubilee activity day with the children working in their house groups across the school. First thing this morning everyone decorated a piece of bunting to be displayed across the railings. Next was junk modelling to build a castle. There was a real buzz across the school with all the children working together in their groups and they made some fantastic castles! Last activity was the scavenger hunt - finding clues around school, in the playground and on the recreation ground. We all came together at the end of the day to let everyone know which groups had won the castle building and the results of the scavenger hunt. We then sung the National Anthem. It has been a really fun day and a great way to end the term!

Class 5 and 6 took part in a football tournament on Monday evening against other local schools and were placed fourth overall. Well done everyone!
