Our Christian value for this term is Respect:  
Respect yourself and others

Dear Parents,

Class 3 entertained their families with their ukulele concert yesterday as the finale to their First Access music project. They played really well and I hope that some will continue to learn to play the ukulele or it might even have ignited the interest in learning to play another instrument.

Class 6 raised a fantastic £352.18 with their Enterprise Fair last week and they want the money to go to Cancer Research. Thank you to Class 6 for your hard work and thank you to everyone who helped support this in any way.
