Treasurer's report

Summer Fayre

Robyn shared that Mrs Hunter is yet to confirm a date but would prefer a Friday. We discussed that it could be worth trying something new and Friday may catch parents after school. However, HSA were concerned about the length of time past fayres have taken to set up and might make Fridays difficult. There were also some concerns that working parents may feel left out, and those parents have expressed disappointment in the past regarding missing out on activities that take place during the workday.

-Robyn to let HSA know final decision before Easter hols.
